

Annex 4 to the Allocation Rules Rules for Forward Capacity Allocation

Border specific annex for the border Austria- Switzerland

Article 1

Subject-matter and scope

1. In accordance with Article 4 and Article 61 of the Allocation Rules for Forward Capacity Allocation, regional or border specificities may be introduced for one or more Bidding Zone borders. Rules described in this border specific annex apply to the border Austria-Switzerland.
2. This annex is effective at the date of entry into force of the Allocation Rules subject to an approval of the relevant National Regulatory Authorities. In case this annex needs to be amended based on a decision of the relevant National Regulatory Authorities, Article 67 of the Allocation Rules shall apply.
3. 3. If there is an inconsistency between any of the provisions in the main body of the Allocation Rules and this annex, the provisions in this annex shall prevail.
4. The capitalised terms used in this annex are defined in the Allocation Rules to which this annex is attached unless otherwise specified below:

Article 2

Triggering events and consequences of curtailment on Long Term Transmission Rights

1. Article 56 paragraph 3 of the Allocation Rules Long Term Transmission Rights shall not apply.

Article 3

Compensation for curtailments to ensure System Security

1. In deviation to Article 58 of the Allocation Rules, curtailments to ensure System Security are compensated as described in this article.
2. The compensation for each affected hour and Registered Participant shall be calculated as the Long Term Transmission Rights in MW per hour corresponding to the difference between the allocated Long Term Transmission Rights held or the nominated Physical Transmission

Rights by the Registered Participant before and after the curtailment multiplied by the following terms:

- (a) the Marginal Price of the initial Auction where the curtailed Long Term Transmission Rights were allocated, and
 - (b) a coefficient of 100%.
3. In accordance with Article 48 paragraph 2 the compensation for the cases where less daily Offered Capacity is available than the non-nominated amount of Long Term Transmission Rights shall be remunerated according to the Article 3 paragraph 2 of this annex.

Article 4

Compensation for curtailments due to Force Majeure or Emergency Situation

1. In deviation to Article 59 and 60 of the Allocation Rules, curtailments due to Force Majeure or Emergency Situation are remunerated as described in this article.
2. In the case of curtailment due to Force Majeure or Emergency Situation, irrespective of the moment of curtailment, holders of curtailed Long Term Transmission Rights shall be entitled to receive a reimbursement equal to the price of the Long Term Transmission Rights set during the Long Term Transmission Rights Allocation Process, which for each affected hour and Registered Participant shall be calculated as:
 - (a) the Marginal Price of the initial Auction; and
 - (b) the volume in MW per hour corresponding to the difference between the Long Term Transmission Rights held by the Registered Participant before and after the curtailment.
