Allocation**

[date of approval]

DISCLAIMER

This document is released on behalf of the transmission system operators (“TSOs”) of the bidding zone border Italy BRNN - Greece solely for the purpose of public consultation on their proposal for nomination rules for Physical Transmission Right for the bidding zone border Italy BRNN - Greece in accordance with Article 36 of Commission Regulation (EU) No 2016/1719 of 26 September 2016 establishing a guideline on forward capacity allocation (“FCA Regulation”). This version of the Proposal is a draft proposal and does not constitute a firm, binding or definitive TSOs’ position on the content.

All TSOs of the bidding zone border(s) Italy BRNN-Greece (hereafter referred to as *BRNN-GR*), taking into account the following,

Whereas

- (1) This document is the common proposal developed by the Transmission System Operators of the bidding zone border Italy BRNN-Greece (hereafter referred to as *TSOs*) for *Nomination Rules* for physical transmission rights (hereafter referred to as the *Proposal*) in accordance with Article 36 of Commission Regulation (EU) 2016/1719 establishing a guideline on Forward Capacity Allocation (hereafter referred to as the *FCA Regulation*).
- (2) Article 31 of the *FCA Regulation* foresees that long-term cross-zonal capacity shall be allocated to market participants in the form of physical transmission rights pursuant to the UIOSI principle or in the form of FTRs — options or FTRs — obligations. This *Proposal* only applies to the physical transmission rights acquired in forward capacity allocation. It lays down the rules for *Nomination* of physical transmission rights for the bidding zone border *BRNN-GR*.
- (3) In accordance with Article 36(2) of the *FCA Regulation*, this *Proposal* is subject to consultation. Article 6 of the *FCA Regulation* requires that proposals submitted at bilateral or at multilateral level shall be consulted at least by the Member States concerned and that the consultation shall last for a period not less than one month. Accordingly, this *Proposal* was consulted from [•] June 2017 until [•] July 2017.
- (4) This *Proposal* is submitted for the approval of all National Regulatory Authorities (hereafter referred to as the *NRAs*) of the bidding zone border *BRNN-GR*.
- (5) *TSOs* on the bidding zone border *BRNN-GR* consider that the *FCA Regulation* allows the submission of this *Proposal* on bidding zone border level, since proposals for *Nomination Rules* for electricity exchange schedules between bidding zones are not listed in Article 4 of the *FCA Regulation*. They acknowledge that Article 36(3) of the *FCA Regulation* requires all *TSOs* to progressively harmonise the *Nomination Rules* on all bidding zone borders on which physical transmission rights are applied. *TSOs* therefore undertake to progressively examine the potential and the need for harmonisation of these rules, taking into account their technical nature.
- (6) This *Proposal* contributes to the achievement of the objectives of Article 3 of the *FCA Regulation*. In particular, this *Proposal* serves the aim of promoting effective long-term cross-zonal trade with long-term hedging opportunities for market participants giving a transparent framework for the *Nomination Rules* for Physical Transmission Rights.
- (7) This *Proposal* contributes to the provision of non-discriminatory access to long-term cross-zonal capacity by detailing the process of nominating the physical transmission rights already allocated in the long-term auctions (or the process of transferring that right in accordance with Article 44 of the *FCA Regulation*).
- (8) Furthermore, this *Proposal* ensures fair and non-discriminatory treatment of all affected parties, as it sets rules to be applied by all parties. Before being approved, the rules detailed in this *Proposal* are subject to public consultation in accordance with Article 6 of the *FCA Regulation*.
- (9) Regarding the objective of transparency and reliability of information on forward capacity allocation, this *Proposal* includes provisions on the necessary exchange of information between the holder of the transmission rights and the nomination platform for executing the *Nomination*.
- (10) In conclusion, this *Proposal* contributes to the general objectives of the *FCA Regulation* to the benefit of all market participants and electricity end consumers.

SUBMIT THE FOLLOWING PROPOSAL TO ALL REGULATORY AUTHORITIES OF THE BIDDING ZONE BORDER *BRNN-GR*:

This date will be published by *TSOs* of the bidding zone border *BRNN-GR* on their website.

TITLE 2

Nomination rules

Article 4

Entitlement to nominate electricity Exchange Schedules

1. In order to *Nominate* physical transmission rights to *TERNA*, the holders of *PTRs* and/or their counterparties and eligible parties acting on their behalf must be a signer of a injection and/or withdrawal dispatching contract and be compliant with the *ICMR*.
2. In order to *Nominate* physical transmission rights to *ADMIE*, the holders of *PTRs* and/or their counterparties and eligible parties acting on their behalf must have concluded a Day-Ahead Energy Transaction Contract with *LAGIE* (The Operator of Electricity Market S.A.) and Transmission System Contract with *ADMIE*.

Article 5

Minimum technical requirements to nominate

1. The nomination tool of *TERNA* is a web-based application, therefore the minimum technical requirement to nominate to *TERNA* is to have an internet access and the MS Internet Explorer. The nomination tool gives the possibility to communicate also through a web services connection.
2. The nomination tool of *ADMIE* is based on Microsoft EXCEL therefore the minimum technical requirement to nominate to *ADMIE* is to have an internet access, an email account and Microsoft Excel.

Article 6

Description of the nomination process

1. The *PTRs* must be *Nominated* to both *TSOs*.

2. The holder of *PTRs* shall notify to the *Allocation Platform* the person eligible to nominate *PTRs*, according to the provisions set in the *Allocation Rules*.
3. The *Allocation Platform* notifies by electronic message the *Rights Document* of the long-term *PTRs* to the person eligible to nominate according to the *Allocation Rules*. For each direction, one Rights Document is sent to TERNA and ADMIE where all long-term allocated *PTRs* are listed with the indication of the related contract identification and the person eligible to nominate.
4. For the *PTRs* allocated in direction from Greece to Italy BRNN, the person eligible to nominate shall submit the *Nomination* to ADMIE. The *Nomination* to TERNA shall be submitted by the persons eligible to nominate or by its counterparties (each person eligible to nominate can designate several counterparties on Italian side) according to the modalities described in ICMR.
5. For the *PTRs* allocated in direction from Italy BRNN to Greece, the person eligible to nominate shall submit the *Nomination* to TERNA. The *Nomination* to ADMIE shall be submitted by the persons eligible to nominate or by its counterparties (each person eligible to nominate can designate several counterparties on Greek side).
6. The *Nominations* submitted to *TSOs* shall not exceed the amount indicated in the *Rights Documents*, otherwise the *Nominations* are reduced pro-rata by *TSOs* at the *GCT* indicated in article (7).
7. After the *GCT*, *TSOs* match the *Nominations* and in case of mismatch the following rule is applied:
 - (a) in direction from Greece to Italy BRNN , the *Nomination* submitted to ADMIE prevail
 - (b) in direction from Italy BRNN to Greece, the *Nomination* submitted to TERNA prevail

Article 7

Nomination timings

1. Nominations shall be sent to both *TSOs* for both directions by 08:30 CET of the day preceding the delivery day (*GCT*).
2. The Single Allocation Platform shall publish information on its website on the nomination deadline related to the nomination of long term *PTR*. In case of any discrepancy between the deadline published by the Single Allocation Platform and those of this valid and legally binding nomination rules Proposal, the latter shall prevail and the Single Allocation Platform shall not be held liable for any damaged due to such a discrepancy.

Article 8

Format of nomination and communication

1. The nomination tool of TERNA supports two ways of communication:
 - (a) web form interface;
 - (b) web services communication of XML files through secure standard protocol *HTTPS*.

The format of XML file is defined by XSD charts available on the web site of TERNA, which make it possible to validate semantics of a XML message. The structure is based on the ECAN standard provided by the ENTSO-e.

2. The nomination tool of ADMIE supports communication *via email*. *The nomination tool processes excel files based on a template excel file*. The tool processes the files based on a validation procedure described in the Nomination of Cross Border Schedules.

TITLE 3

Miscellaneous

1. For any matter related to PTR's nomination that is not contained in the present document, the following documents shall be valid:
 - a) For nomination to *TERNA: Congestion management rules on the Italian interconnection, pursuant to art. 7 of annex A of the deliberation by the Italian Authority for Electricity and Gas arg/elt 162/1*
 - b) For nomination to ADMIE: *Rules Regarding Nomination of Cross Border Schedules*

Article 9

Amendment of the nomination rules

Any change of the *Congestion management rules on the Italian interconnection*, pursuant to art. 7 of annex A of the deliberation by the Italian Authority for Electricity and Gas arg/elt 162/11 or of the *Rules Regarding Nomination of Cross Border Schedules* that has an impact on the present nomination rules, shall lead to an amendment of the present nomination rules proposal.

Article 10

Language

The reference language for this nomination rules Proposal shall be English. For the avoidance of doubt, where TSOs need to translate this nomination rules Proposal into their national language(s), in the event of inconsistencies between the English version published by TSOs in accordance with Article 4(13) of the FCA Regulation and any version in another language the relevant TSOs shall, in accordance with national legislation, provide the relevant NRAs with an updated translation of the nomination rules Proposal.
